

Citrus Boat Soap

(Liquid Citrus General Purpose Cleaner / Degreaser)

- ◆ Resists Clogging of Steam Coils
- ◆ Versatile Usage
- ◆ Easily Rinsed
- ◆ Effective On Most Soils

Citrus Boat Soap is a liquid general purpose cleaner/degreaser with a hint of citrus designed to remove most all types of soils at economical usage-costs. Another important advantage of this product is that it uses an effective wetting and emulsification package that will eliminate the disadvantages usually associated with other cleaner/degreasers. **Citrus Boat Soap** is very effective on cleaning heavy equipment such as off road construction equipment, fifth wheels, tires, or wherever medium to heavy encrusted greasy soils are found. Also works well as a floor cleaner either through manual applications or floor scrubbing equipment. **Citrus Boat Soap** can be used in soak tanks, steam cleaning operations, foam operations or gel operations.

TYPICAL PROPERTIES

Appearance	Clear yellow to straw liquid
pH	> 14 (undiluted)
Solubility	Immediate
Specific gravity	1.07 (water = 1.0)

USING PROCEDURES

General Cleaning/Degreasing – Dilute with water at 1:40 – 1:100.
