

WinSolv Green

(Biodegradable All Purpose General Cleaner)

- ◆ Performs at Medium pH Ranges
- ◆ Excellent Wetting
- ◆ Safe to the Environment
- ◆ Multi-Metal Safe

WinSolv Green is a light to medium duty low pH liquid formulated all purpose general cleaner. Highly fortified with detergents, wetters, and builders. **WinSolv Green** was designed specifically as a non-hazardous, environmentally friendly cleaner that is recommended to be used at 1% to 20% b/v on various types of soils. However it has been used in various other applications and does an exceptional job on all substrates. **WinSolv Green is safe to use as a household cleaner, but strong enough to be used as an industrial maintenance cleaner as well.**
